

BADGER ORDNANCE FTE Muzzle Brake Installation Form

Thank you for choosing Badger Ordnance to install your FTE Muzzle Brake.

All work is performed at our service center and carries an approximate turn around time of 2 weeks once in house. Upon completion, your rifle will be returned via UPS Ground shipment and insured for a value of \$1000.00 and will be sent Adult signature required.

Listed below are the requirements that will ensure prompt processing and return of your modified Barreled action.

1. Make sure the Brake you have chosen fits your barrel.
2. All orders are shipped via UPS Ground shipment, and therefore require a physical street address for delivery. UPS WILL NOT ship to PO Box addresses.
3. Be sure to include ALL payment information on this form. We can not call for payment information. Card orders without card number included will not be processed.
4. Send ONLY your barreled action, do not send your bolt or stock unless you are having additional work done to them.
