

NOTES:

1. Use the included pillars to assure precise spacing of the guard to Receiver. **DO NOT** shorten the pillars.
2. The rear of the guard has a flat spot to interface with the Pillar, assuring absolutely parallel mounting surfaces for the pillars.
3. The supplied mounting screws will need to be checked for proper length.

Before beginning any firearms work, make certain the firearm is unloaded!

This product is sold as is and without any warranty. No liability is expressed or implied for damage or injury which may result from improper installation or use of this product.

Unless otherwise specified
