

NOTES:

1. Use the included pillars to assure precise spacing of the guard to Receiver. **DO NOT** shorten the pillars.
2. The rear of the guard has a flat spot to interface with the Pillar, assuring absolutely parallel mounting surfaces for the pillars.
3. The supplied mounting screws will need to be checked for proper length.

Before beginning any firearms work, make certain the firearm is unloaded!

This product is sold as is and without any warranty. No liability is expressed or implied for damage or injury which may result from improper installation or use of this product.

Unless otherwise specified

Thank you for choosing Badger Ordnance for your Triggerguard upgrade.

All work is performed at our service center and carries a turn around time of 2 weeks in house.

Listed below are a few requirements that will ensure prompt processing and return of your completed installation.

1. We cannot inlet the following stocks:
 - Hogue over mold stocks
 - Any plastic injected molded stocks
2. All orders are shipped via UPS Ground and require a **physical street address for delivery**. UPS will not deliver to a PO box.
3. Be sure to include ALL payment information on this form. We cannot call for payment information. Credit card orders without the card information will not be processed.
4. DO NOT send your rifle, we only need the Stock..
6. We will not inlet for our competitors triggerguards, most do not fit the M5 inlet correctly.
5. You may also purchase the guard and extra magazines when you send the stock.

To order M5 Triggerguard or Magazines (Check all that apply)
